**Bocce Invitational
Colonial Park, Franklin New Jersey
Sunday, June 3, 2006
9:00am Start**

Operation Shoebox New Jersey was launched in February, 2005 and has raised over \$100,00 and collected tens of thousands of items, from toothpaste and toothbrushes to chewing gum and canned tuna. The organization has shipped over 8,600 care packages to U.S. troops serving in Iraq and Afghanistan. This has been a grass-roots, word-of-mouth effort, supported by the generosity and compassion of individuals, schools, civic groups, veteran's associations, small businesses and corporations.

Please join us in making our Bocce Invitational a memorable event by contributing a gift basket, or items to be included in a gift basket, for a tricky tray raffle during the event. Theme baskets or gift with a minimum fair market value of \$50.00 or more will make a wonderful addition to our event. This is a great opportunity to advertise your business while demonstrating your commitment to our soldiers in the middle east.

Gift Basket Wish List
